L'ENCLOS
ENCHANTED LOVERS

**L'ENCLOS EF Cell
Triple Master Award VIP Set**

CODE NO. LS71

The L'ENCLOS Tri-Master set rebuilds a disorganized skin layer from within, restoring a multi-dimensional facial contour. Each ampoule contains high concentrations of NMN, EXOBIO, and EF CELL ingredients, offering a solution that targets the root cause of skin deterioration and recreates the sensation of turning back time.

**L'ENCLOS Time Defying
NMN Ampoule**

VOL. 6ml x 4pcs.

NMN (Nicotinamide Mononucleotide) plays a special role in reducing irritation caused by internal and external harmful factors. It helps decrease Reactive Oxygen Species (ROS) and supports youthful skin. When mixed with EXOBIO powder, it enhances the booster effect, providing a firm, resilient "mattress-like" texture and an overwhelming three-dimensional skin feel from deep within.

L'ENCLOS PDRN Peel & Repair

CODE NO. LS72

At the heart of the L'ENCLOS PDRN Peel & Repair lies our proprietary PDRN CPPs DESIGN BIOLISM, a next-generation innovation developed in-house. This advanced formula combines highly stable and effective cell-penetrating peptide (CPP) derivatives with essential minerals and amino acids, delivering enhanced synergy, longer-lasting effects.

**L'ENCLOS Time Defying
EXOBIO Powder**

VOL. 0.5g x 4pcs.

L'ENCLOS EXOBIO is a highly pure ingredient obtained by culturing embryonic fibroblasts. Particles smaller than 120nm are isolated and freeze-dried to increase purity. Blended with vitamins, this powder activates the skin's mechanisms, regenerates loose and sluggish layers, and transforms them into dense and firm skin.

L'ENCLOS Double Helix Peel Ampoule

VOL. 5ml x 8pcs.

PDRN CPPs + 4 Type Minerals

L'ENCLOS Double Helix Repair Ampoule

VOL. 5ml x 8pcs.

PDRN CPPs + 4 Type Amino acids

**L'ENCLOS Time Defying
EF CELL Ampoule**

VOL. 6ml x 4pcs.

L'ENCLOS EF CELL is a patented material derived from fertilized egg embryo tissue. Fibroblasts are isolated and cultured to produce a fibroblast culture fluid, an advanced biomaterial registered for the first time in the international ICID. This solution restores the foundation of the skin with natural regenerative power, resolving deep-rooted issues and providing confident, radiant skin that transforms with every moment.

L'ENCLOS Brio Complexion Serum

CODE NO. LS25

VOL. 50ml 1.69 FL, OZ.

A total solution for skin concerns such as loss of elasticity due to aging, dullness, dryness, rough texture, and sudden wrinkles. It suppresses active oxygen to prevent aging and promotes fibroblast activity to naturally produce collagen, helping to improve wrinkles.

L'ENCLOS Brio Complexion Cream

CODE NO. LS30

VOL. 50ml 1.69 FL, OZ.

A soft and delicate textured cream that completes the essence step, strengthening skin elasticity and firmness. It brightens dull and dark skin tones, delivering a clear, radiant glow. It also supplies moisture and nutrients that tend to diminish with age, restoring vitality to the skin.

L'ENCLOS Brio Complexion Skin Toner

CODE NO. LS40

VOL. 150ml 5.07 FL, OZ.

E.F Cell Skin Toner immediately adjusts moisture balance in sagging skin, clearly defining the facial line and boosting volume for a youthful, vibrant appearance.

- Facial Volume: Enhances elasticity and adds bounce to rough, dull skin, creating a radiant look.
- Luminous Skin: Brightens from within and smooths the texture, boosting confidence.

L'ENCLOS Brio Complexion Glossy Mist

CODE NO. LS11

VOL. 100ml 3.38 FL, OZ.

This mist helps to keep your skin moist and glossy from the inside out, improving dry and tired skin caused by external environmental factors. It provides moisture and nutrition deep into the skin, forming a protective layer and improving the overall skin tone and elasticity. Ideal for aging skin that lacks hydration and nutrients.

LENCLLOS EF Cell Deep Focus Cream

CODE NO. LS31

VOL. 500g 17.63 FL, OZ.

A multi-use skincare cream for facial massages, soothing and calming packs, and more. It can also be used as a treatment cream with ultrasound and HIFU equipment.

1. Strong antioxidant effects, enhancing skin radiance
2. Soothes skin, prevents and reduces irritation or breakouts

LENCLLOS EF Cell Revitalful Cream

CODE NO. LS32

VOL. 90g 3.17 FL, OZ.

Revitalizes dull, lifeless skin with firming and plumping effects. It provides a glowing, moist look while lifting sagging skin to create a more defined facial contour for a younger, more beautiful appearance. Also helps with moisturizing and improving rough skin texture.

LENCLLOS EF Cell Revitalful Mask

CODE NO. LS66

VOL. 30g 1.06 OZ.

Formulated to re-energize tired and weakened skin, the LENCLLOS EF Cell Revitalful Mask helps deeply nourishing ingredients boost volume from the inside out, effectively improving both fine and deep wrinkles while enhancing elasticity for a visibly firmer, smoother complexion.

LENCLLOS EF Cell Real Botanical Oileanser

CODE NO. LS81

VOL. 200ml 6.76 FL, OZ.

A hybrid plant-based oil that transforms into foam upon contact with water, then gradually returns to oil. Enriched with Vitamin B Complex and Azulen, this formulation combines the benefits of natural oil with vitamins to create a new type of cleanser. It enhances elasticity, refines the facial line, and supplies moisture and nutrients for radiant, firm skin.

LENCLLOS Pro Radiance Foaming Cleanser

CODE NO. LS80

VOL. 150ml 5.07 FL, OZ.

A gentle yet powerful foaming cleanser that soothes the skin while effectively removing makeup and impurities. It contains mild surfactants that do not irritate the skin and ingredients that calm and moisturize, making it ideal for daily use. Enhanced with Kefirmoist for hydration and calming care.
